# BEAUTY FRAGRANCES

## Connecting fine fragrances with cosmetics

KAO has designed these new collections of delicate scents with the aim of creating perfumes that care for your skin. These conscious fragrances have been crafted mixing tradition with the highest standards of innovation and creativity.

**AROMA COMPOUND**

# ELIXIR D'AMBROXAN COLLECTION

These three exclusive masculine blends do not contain alcohol and have been crafted with the exquisite and radiant nature of our precious AMBROXAN®.

ELIXIR D'AMBROXAN collection is not only meant to be an ode to AMBROXAN®, but the enjoyment of oriental notes accompanied by Mediterranean essential oils with a subtle touch of amber, woody, and, caring Kao emollients and rice oil that will perfume and moisturize your skin.
