BEAUTY FRAGRANCES

Connecting fine fragrances with cosmetics

KAO has designed these new collections of delicate scents with the aim of creating perfumes that care for your skin. These conscious fragrances have been crafted mixing tradition with the highest standards of innovation and creativity.

AROMA COMPOUND

THE QUEEN'S RITUAL COLLECTION

We have created this delicate feminine collection devoted to cosmetic feeling and appearance from the most prestigious white flowers in perfumery. It does not only feel like a perfume but it will provide you with an innovative concept to perfume your skin.

THE QUEEN'S RITUAL is an environmentally conscious collection as it is crafted entirely with vegan ingredients. Exceptional creations to make you feel like an elegant queen wherever you are.
